Mar 1913

Wed Mar 5 clear this morning and cold two deg below zero the coldest for this season. Dick and Roy Bird was here this fore noon, Bilton and Fred Smaby was here this after noon a while

Thu Mar 6 cloudy windy and cold the snow has been drifting all day and night the ther-monitor has ranged 8 deg above zero

Fri Mar 7 clear and cold it was ten deg below zero this morning on bretori the sun has been shining bright all day no that

Sat Mar 8 clear part of the day and mild. George Sandlas Sone

Sun brought me a load of wood

Mon Mar 9 cloudy and soft it thawed all day and last night

Mar 10 1913

Mon Mar 10 cloudy and soft it melting the snow away fast

Tue Mar 11 cloudy and soft it has been thawing all day. I was at the grocery I wit Bilton I expected he had gone to Manatoke stayed the car had not come to take them they were expecting every minute to here it had come

Wed Mar 11 clear and warm its taking the snow away fast J B Smary and wife was here a few minutes

Thu Mar 12 cloudy and warm it looks as if it was preparing for a storm

Fri Mar 13 clear and quite warm Sarah and Sally Billanious here to bid us good bye they are mooving to Manitoba
