

- Fri May 18. Rained again to day, still extremely warm, trees all  
out and a little blossom.
- Sat May 19. Cooler, fine day, Aunt Mattie home in the afternoon
- Sun May 20. Very cold, I was at fathers in the afternoon. Willie  
Mary and the children here for tea.
- Mon May 21. Fine <sup>but</sup> cold, heavy frost last night and Ice.
- Tue May 22. Fine and moderately warm. p
- Wed May 23. Fine morning then came a thunder storm in the  
afternoon. I put Gladiolias out and Dahlias.
- Thur May 24. Victoria Day, very hot and sultry. Frances Morse  
came to spend the day. Lizzie here, she and I  
went a piece with Frances and called at Miss Phillips  
for Rhubarb. Thunder shower in the evening.
- Fri May 25. Rained heavily and thunder and lightning in the  
afternoon, very, very warm, Aunt Mattie home for a while
- Sat May 26. Came a thunder shower in the afternoon. then  
turned very cold at night.
- Sun May 27. Very cool. we had lettuce for the first time.  
father very, very poorly. I stayed all night.
- Mon May 28. Came a little shower, then cleared, and cold.
- Tue May 29. Fine day and bright, father very low.
- Wed May 30. Fine and moderately warm. put our Tomatoc  
plants in.
- Thur May 31. Fine day and a little warmer, Aunt Kate here
- Fri June 1. Fine and moderately warm, has been lovely weather.
