

Duggie & I went to church in  
 the morning Ada & Edgar  
 at night

MONDAY 7

(280-85)

We were working at stable  
 all day Rained it fell freight & dug  
 trenches commenced filling when rain  
 stopped us about 3 o'clock P.M.  
 All trenches full but N. W. side  
 of George B with us,

time at work at stable = about  $\frac{3}{4}$  day for 4 or 3
