

Dec 2nd, Cold yet to
much frost to plough
nearly all the farmers
have a labor of ploughing
to do yet. It has
been so dry, that
it was too hard to
plough on the clay
land. Putting machine
into Raspberries &
Blackberries today.

Dec 2nd, very cold & cloudy
drawing stumps from
Geo Thomas' about 20
it is some tough
job, and a long
drive nearly 10 miles

Dec 11th, Fine & clear
and very cold ground
frozen solid, still

drawing stumps. Could
not be a better time
to get them out, when
the ground is frozen,
Dec 5th, drawing stumps
yet. have got 8
loads now, that is
all he has, weather
milder, raining
this afternoon, got
16 bus wheat for
\$20.00 from John Smith
up near Thomas', having
good time listening in
in the Radio, got a surprise
to night, had a concert
on the steamer Leviathan
on the Atlantic ocean, it
was pretty good, in New York
Harbor
