

3 A ^{May 1901} somewhat early East of Creek & East of Orchard. A Mr J brought about 9 Bushels of lime from Mack River. P.M. Henry goes in root ground & Harrowed early which finishes our seedling what we had sown before the rains is all green & growing fine. P. Cool N. weeded fine & Clear back lane yet. Henry made Mangel drills about 30 on east side of field behind Cider house. I sowed them with More Boronia. She is about all right. A rolled the barley below house & north of Orchard. I cut some Potatoes & we planted them along the lane in some short Mangel drills. H. very fine but Cool weeded. Mary came home from U. Dredges. She thinks she must go back again on Monday. Richard is no better. The little boy is all right. Sunday 5th at home. Henry, Mary & Anne went to meeting at Wakefields. P.M. I were here to dinner. Cider House was here. P.M. very fine growing day. Cool water 6 A.M. very fine & clear. P.M. finished sowing. Henry drew stones at eleven with More Boronia. I was out this day garden till noon.

^{April} 1904 ^{May}
The Fall ^{Went} was beaten killed in
place but it is picking up from
30 A. Henry went to Flavia but came
home again. Ellis came about 9 o'clock
so Henry went after dinner to help
they dug some garden & dug up some
Maple & Ast trees in our back yard
D & A planted them P.M. from the
Graveyard south to the corner
W. Wm. driving rain at times
I have very lame back

May 1 Henry helped at Flavia. A does stone
off root ground & began ganging of wood
to Cedar Grove A.M. with Mame Bone
A.M. she is pretty near better he drilled
a big stone on root ground & fixed it off
he had David Reavis drill he took it to
B.D.D. at Cedar Grove & got it cheap &
left it at David's again. W. Clear by A.M.
very fine & clear P.M. My back very lame
D & A took a load of stones to Flavia
from our root ground. This morning I brought
home Chop
I helped a while at Flavia A.M. he
took Butter & Eggs to Louisa P.M.
Henry ganged in root ground P.M. Nancy
& A went to Mark's house to David to
dinner then went to see Grandmother
P.M. she is quite smart. W. fine show
early this morning. Clear & warm today
my back very lame yet
