

1880

October, I made a load for Wallace to carry mortar in
he began to plaster to day John Gemmel attended
the plasterer this afternoon while Wallace finished
out & plowing the head ridge I sowed it the first 10
ridges of it is sowed with the Toronto wheat the rest of it is
sowed with Rals wheat all but the 3 east ones they are
planted with

2 John Gemmel shovelled the farrows on the fallow
this morning I went to Genanagun to Mr. Stesslap & entered
a complaint for wages Stesslap says he can
do nothing he has not put in his time

3 Rev. Mr. Garnat preached this morning Mr. Stesslap at
night we had no meeting W. Matthews is on a mission

4 I made a register box for Wallace heavy rain most
of the day I went to the Council about our school
rate

5 I split wood & other chores fine day
I went on the Express to Kingston this morning

6 I acted as Judge on South Queens Prisoners & fat
in the morning
in the afternoon
in the evening
in the night

7 finished our job got home on the Express this
afternoon John Gemmel John Sebastian say potatoes at
the road the ground is very dry it is fine digging

8 I fixed up the hen pen potatoes in the cellar put 2 loads
9 they finished digging brought load home to day that is 3
home in all we have more than we had last year

Rev. W. Matthews preached at half past two
the Rev. Matthews preached this morning he dispensed the Sacrament there
was 45 communicants partook the wine was more than a large one

11 John Sebastian began the fall plowing in the north field
south east corner we got the plow point & cat in line

12 John plowed in the south east part of the north field
the southeast part is too dry

13 John plowed in the same place I got the iron
plow & shov & cat in line

14 John plowed & 15 in the same place it is easier plow
16 John plowed in the forenoon rain in the afternoon
he thrashed some peas & cleaned those that Syria thrashed
