

Ther.

TUES. OCT. 18, 1898

Wea.

I again rose and made the fire, and got breakfast ready, the boys went to school, I attended to the to the work, and then I washed and made up some tomato catsup, and picked over the grapes and made them ready for cooking they are a slow job
Dr Robinson dropped dead today

Ther.

WEDNESDAY 19

Wea.

I rose and attended to the morning work, making the fire and getting the breakfast, the boys went to school I cooked the grapes in the forenoon and after dinner I made a cap for George to go to school, this is Grand Valley fair day it was showers in afternoon
