Wea.

I felt lazy this morning, but then I must attend to the work, as it would not do to leave it without being done, the boys are away to school. I am busy at my patch work I am piecing a flannel quilt, feeling much better today.

FRIDAY (28)

Wea.

Again I rise to resume my work, we had breakfast the boys then went to school. I am working at my quilt, I have got 2 large blocks done. It looks very well although made of many colors.
