TUES. APRIL 19, 1898

Wea.

This is a wet rainy day and I can't walk outside, so I busied myself making at at front dress for myself for every day wear. It is very dark and dull, Jennie Marshall came over to Georges in forenoon and got storm afraid with the rain.

WEDNESDAY 20

Wea.

This is a dark dull day yet, we are having rain and snow, which makes it very disagreeable. I have been sewing again at my dress. Phemia Henderson came down for a crocheted needle (or hook) but did not get one.
