306 DAYS PAST

FRIDAY

GO TO COME

Oct. 1, 1906.

A. C. Colson, M.D., Tampa, Fla., says:

"I have prescribed your Pepto-Mangan (Gude) about 150 times during this year and find it the remedy par excellence in anemias. I do not recall a single instance where I have been disappointed in its results."

Sident storm rather chilly  
I packed away some more  
bees. John ploughed all  
day. I washed & ironed  
& tonight Melba has been  
doing up the Saturdays  
up some of the Saturdays  
work. Maudie was out &  
well last night now to day  
Wilson Mills had a sale  
to day.
