

May 11th Sunday Fine + warm

May 12th. Finished transplanting
tomatoes + planted 2 oz
Cauliflower seed + 4 oz
Bush Vegetable manure.

May 13th Watering hotbeds +
started to hoe strawberries

May 14th Light showers will
do a lot of good. men
clipped horses. drew wood +
took sprayer to get overhauled

May 15th Still a few showers
hoeing strawberries

May 16th Hoeing strawberries

17th Colder today planting
Potatoes + replanting strawberries
filling up.

May 18th Sunday cloudy
+ cold. all day.

May 19th. Rain all day. biggest
this spring. also very
cold. about 40 + 45
all day.

May 20th Clear and a little
milder. Replanting straw-
berries yet. thousands
dead of the first planting
bad roots I guess.
and warm weather than

May 21st. Fine + warm men
hoeing strawberries

May 22 Very warm today
hoeing strawberries

May 23rd Warm about
90. Started planting
out tomatoes.

May 24th a big change
Very cool today
planting out tomatoes.
