WED. JULY 20, 1898

Wea.

After we had breakfast the boys and I went to the field, the boys picked peas while I cut straw for hats, we brought it home and ~~troumoned~~ it after dinner. Weirs Mary came down from Cheltenham she came down on the morning train, she and I went up in evening for valise

Ther.

THURSDAY 21

Wea.

I rose at 4 o'clock and mixed the bread, and then took a rest for a while longer on the lounge, then, S. A. Mary and I went to Robt Reids for berries, it was very warm, Frases came home with us to have a play, he is 10 years old
