THURS. NOV. 17, 1898

Wea.

After making a fire and preparing the breakfast, I got the boy off to school, I then fixed my coat which needed some attendance and I trimmed my hat as it did not suit me so that kept me most of the day.

FRIDAY 18

Wea.

I rose and made the fire and then prepared the breakfast, I had no particular work to do today. I did a little knitting putting a new point in a mit and doing the other house work.
