315 DAYS PAST

Monday

51 TO COME

When the Physician Selects

a hematinic, in any given case, a practical advantage which should not be overlooked or minimized is the agreeable aromatic taste and flavor of **Pepto-Mangan (Gude)**. This ideal ferruginous tonic and reconstructive is also readily miscible with almost any non-acid vehicle that may be preferred by the patient.

Weather

Temp.

*Rained hard towards night.
Maud went to school. Dad
ploughed. Auntie wiped at her
coat.*
