

Very cold last night  
 I took Ada to Chatham  
 got insurance on Plains, from R. D. Murray

SATURDAY 23

(54-311)

Lizzie & I went to Chatham after finding  
 Revere in Harrison hall we met J. J. Bradley  
 on Market. Retired to office of McCoy & Hopkin  
 Mr J. Brady sat behind me Bradley would listen  
 to nothing but \$7500 in settlement  
 Bradley still claims sugar Co would not allow him  
 to draw his beets while roads were good &  
 full hard & dry. Told us the Co would not let  
 him haul beets from home first even made  
 him unload 1 load in field.
