

April

MONDAY, 28

(118-247)

1919

Robt not feeling very good forenoon.
After the chores was done Brock
chopped grain till noon then
" some more afternoon and
set up the wire fence in
the little lanes and
filed up the threshing
wood
dull in the morning but brightened
up through the day

TUESDAY, 29

(119-246)

Robt & Brock choring
and gone back to build fence
round the piece of new land by
the bush forenoon.
Threw out road fence on other place in aft.
I came home this morning.
Mr. Henderson called in P.M.
beautiful day

WEDNESDAY, 30

(120-245)

Done chores and building at the road
fence. Started down at Mr. Ewing's line.
Fine and bright but strong east-
wind and looking like rain at night.
