

Ther.

MON. AUG. 29, 1898

Wea.

I rose this morning and made the fire, the boys went off to school, Mother and I were busy, at the drying of fruit. we were busy peeling and putting apples ~~to~~ and pears to dry we were at it all day.

George. S. A. and W. Lindeber went to a harvest home at Astranders

Ther.

TUESDAY 30

Wea.

I rose and made the fire and prepared the breakfast after the boys went to school I went to washing. I had a large washing to do, as I had not washed for quite a while, I ironed quite a lot in evening and so I felt tired
