

July, 1925.

4 Saturday. Rain this morning. Hot this afternoon. We all went to the Big Circus at Kitchener. We had our dinner with Mr. & Mrs. Bert Hilliard. The circus was very good but we were tired out at night and glad to get back to the peaceful, quiet farm.

5 Sunday. Hot and sultry. Walter went to church & S. & this morning. We went down to Eskandpa Maurer's for tea. Hebel, Hamel & Jefferson's were there.

6 Monday. Very hot. The new brought in a load of sweet clover hay. They hoed corn. Vernon helped Ed. do the washing. Edna, Mildred & Doris called this afternoon.

7 Tuesday. Sultry & cloudy. The new hoed corn and turnips. Walter & Earl called at Addison Reint's tonight.
