

1 car short from apr 15th

in the afternoon ordered
(10 cars manure) 5 for
strawberry covering to start Nov
15th. 5 for Hollands. June 30. Feb 15th
Mar 1st, 5th + 15th.

June 5th Sunday. coal again.

June 6th finished planting
peppers & Vegetable manure
planted Cauliflowers in
the afternoon covered them
all with berry boxes about 6000.

June 7th + 8th, hoeing
strawberries. very weedy
& poor.

June 9th. Rained in the morning
fixed up sprays, piled
frames etc. broke axle on
the truck cost \$1860. warm
& windy.

June 10th. warm men
hoeing strawberries & started

cultivating carrots. had
two showers. Had Mr
Briggas out wants strawberries
again

June 11th - started spraying cherry
crop looks very light also
plums & pears.

June 12th Sunday fair & cool.

June 13th. Spraying men
hoeing strawberries

June 14th. finished spraying
13 tanks in all. 5 1/2 lbs lead
and 3 1/2 Bals Lime Sulphur
per tank. did not take
as much as last year. two
reasons. not much fruit &
from 200 to 300 trees dead
or dying. winter killed
to wet last fall - they
did not stop growing
until frozen up.
