

June 2nd. not much doing
rained all night &
nearly all morning -
hoed & cultivated & plowed
in afternoon.

June 3th. Spraying all
day. a few delays
screens blocked up -
only 9 tanks on.
weather getting warmer
went fishing to the
beach. no good, only 3 small
perch.

June 4th. Spraying yet
engine trouble this
morning. only 4 tanks
on. 3 tanks this
afternoon stopped by
rain.

June 5th. Sunday Very
warm drove to
Niagara Falls & Queenston
Heights & another big
thunder storm in
the night.

June 6th. Trees still
wet this a.m. started
to spray about 9:30
5 tanks on and
stopped at 3 o'clock
another big storm.
Planted some cutes
seed.

So much rain & wet
see we have a lot
of pear trees burnt
by spraying wet
trees.
