

June ^{the} 28 1907

24

We went up to church it was a fine day

29

We plowed corn to day and Gordia cut his grass to day

30

I plowed corn and halled gravel and o dear it was so hot ☉

July ^{the} 1 1907 We put Gordia's hay in it was a hot day he had seven loads of fine hay - - -

2

I cut grass in the morning and in the after noon I put the hay fork up and cut thistles

3

We halled hay to day for the first I cut thistles in the morning and kicked up the hay and we had a fine rain this evening

July ^{the} 4 1908

4

I went up to daddy squiers and plowed corn and cut grass and it is raining to night

5

We went up to Daddy Sniders for dinner and out to church the school gave Roxie a fine present to day

6

I cut grass and kicked up the hay and we got one load in before noon and we halled it in the after noon

7

We finished the hay to day and ☉ I am glad it looks like rain to night

8

I plowed corn and howed beets I gess that is all for this time so good night

9

I hoed beets and cut grass for Rube I cut grass after dinner and it was dreinough to hall to night. hot.
