

September

SATURDAY, 18

(262-104)

1920

Shedded stact behind barn in forenoon. Straightening up ice. afternoon. I to town first morning for meat. Brock & I down at night. Fine day but very cold night.

SUNDAY, 19

(263-103)

Dr. P. post to church at night. Dr. J. C. Mc. Sargon here for tea. Fine day.

MONDAY, 20

(264-102)

Putting in cement partition in pig pen in morning & afternoon and picking up outside.

Very dull and a drizzling rain all day. Brock down to Seth's in evening to see about corn binders but they were away.
