17 DAYS PAST

348 TO COME

An Ideal Toning Agent

in any and all conditions requiring reconstructive medication, is **Pepto-Mangan (Gude)** to which has been added the proper dose of strychnia, according to indications. This combination is especially serviceable in the convalescence of exhausting diseases (Typhoid, Pneumonia, La Grippe, etc.) and whenever the heart and circulation need strength and support.

Sleighting about all gone
but still Aunt Bella & I
went with the cutter. Girls
& Carlin went to Sunday
School with the Congreg
Carlin stayed for tea. Then
the girls & I went over to Mr
Coker. Beed & Carlin went
to church & we stayed with
Mrs Cox. Pat & Mark were down
to sheds. Cepene came in the
afternoon. The cutter & high
