07 DAYS PAST

Sunday

269 TO COME

The Anemia of Bright's is usually benefited by direct hematinic treatment with

Peplo-Mangan ("Gude")

which is especially valuable because it does not disturb digestion or irritate the kidneys.

Weather

Rained hard this

Temp.

*Morning & last one Mr boy
was over. Girl's went to church
belair brought sit Grace over.
I was over to Mr Lopez & then
to Clarences a little while
on my way home.*
