259 DAYS PAST

SUNDAY

107 TO COME

June 10, 1907.

Dr. G. L. Kennedy, Roseville, Ohio, says:

"I have prescribed **Pepto-Mangan (Gude)** with very satisfactory results. In one case, following an operation of a serious nature, which left the patient extremely weak, **Pepto-Mangan** seemed to be exactly what was required to rebuild the system. I have used it in a number of other cases with excellent results."

A fine day. The girls & I was home all day, only I walked down to the south end of our old west place. The Canning house people have it in to sweet corn & pumpkins, the whole of it is not worth a dollar in pumpkins & no corn, the frost has frozen all the stalks. John was down to Leakey Marchant's for dinner. Mr. Leo was over a little while. This evening, Melba eat up a little wild twice & Melba day
