

1956

1956

October 1	Lock went to Samuel Innis & got the old horses shod & worked at it with barrow	oct 13
2	drew some of Wood heavy woods	14
3	picked the Corn & husked part of it at night	
4	husked & sorted the Corn had 2 1/2 wagon loads of good corn & considerable of bag corn	15
	the Revd Mr Rening preached in canton	three in 3 year
6	Lock took me to Brackville & I went on board of a Steamboat for Kingston got there in the afternoon took the stage for Lanworth on Tuesday got there after night the distance was 40 miles stage fare 7.5	16
	went to see the Land Agent found a boy that acted as Agent he could not tell me anything concerning distance or the Land only he gave a list of the lots that was to be given out, hired a horse or a mule that answered in its place & started for the woods	17
	went 6 miles to the River Cross 2 miles to the woods then 14 miles of rocks & logs in crossing the 14 miles I went over 12 hills or Mountains varying in height from 150 to 300 feet	18
	49 cross-ways varying in length from 2 rods to 85	19
	got to a Shanty about 8 o'clock at night paid 4 1/2 for a sheaf of oats to feed the horse started the next morning in company with Mr Chamberlain about 12 miles in the woods we thought that we had gone far enough the land or tracks was not for a farmer to go on to we saw only 2 farms that was good for anything	20
