Wea.

Millie McCallach
called this morning
to tell me Robert was
going to Brampton
so Aggie and I went
with him, Aggie had
dinner at Cousin John
McCallach, and I had
dinner at his brother
Williams. It is very
cold today

WEDNESDAY 14

Wea.

We were over at George's
last night, James was
up and we had a feed of
oysters, but I am not
extra fond of them.
I did some baking
in forenoon, and
went to Cousin Robert
in the afternoon.
