

helped Amos all day, with
his corn ground, he left the
horses down there. Dick & Mike.
Amos brought him home,
& took Maudie back to Mrs. Yelland
Mrs. Ashton was up for some cabbage
plants & visited, us a long time
after dinner. Helba varnished the
Parlor & bedrooms. I have been
working in the garden until
I am tired out.

June 12

Tuesday 12

Perfectly lovely day. Finished the
parlor today. I took dad down
to Osmonds this morning and
he brought home a load of
posts. We washed and ironed
some. Using our gasoline iron
again. After dinner we took
Mrs. Ashton a chicken feeder
and Mrs. Davis a pattern.
I clipped some around the bus.
Mother has been working in
the garden.
