19 DAYS PAST

346 TO COME

THE ILLS OF THE AGED.

The elderly invalid requires gentle, yet efficient treatment.

Pepto-Mangan ("Gude")

is especially adapted to the ills of the aged, as it is free from harshness or constipating effect.

Weather Cloudy rained a little Temp.

To night, Eugene took the girls to school. The little house boy got hurt to day. Mrs Ed Thompson & I went to the sale of Bulls this afternoon. Boys hauled manure all day. Lewis drove his grey colt this morning. He was at Mrs M'Gays. Aunt Anora came back this morning. I was in at Mrs HARRIS & Mr Rodgers.
