

The image shows the front cover of an antique book. The cover is decorated with a dense, repeating pattern of marbled paper. The pattern consists of vertical columns of overlapping, semi-circular shapes, creating a scale-like or fish-scale effect. The colors used in the marbling are primarily red, blue, and white, with some darker, almost black, spots interspersed. The overall appearance is aged and worn, with some scuffing and loss of material, particularly at the corners and along the edges. In the center of the cover, there is a rectangular, light-colored paper label with a thin blue border. The label contains the title and year of the book, along with some handwritten initials in the top left corner.

**LEGAL WEIGHTS AND MEASURES IN CANADA**

The legal weights and measures of Canada are the Imperial yard, Imperial pound avoirdupois, Imperial gallon (of 277.2734 cubic inches), and the Imperial bushel. The Imperial gallon is equal to 4.54174 litres, while the wine gallon, used in the United States, is equal to 3.785 litres.

By the same Act the British hundredweight of 112 pounds and the ton of 2,240 pounds were abolished, and the hundredweight was declared to be 100 pounds, and the ton 2,000 pounds avoirdupois, thus assimilating the weights of Canada and the United States.

Beans, 60 lbs. Flax seed\*, 56 lbs. Hemp, 44 lbs. Blue grass seed, 14 lbs. Lime†, 70 lbs. Castor beans, 40 lbs. Potatoes, 60 lbs. Turnips, 60 lbs. Carrots, 60 lbs. Parsnips, 60 lbs. Beets, 60 lbs. Onions†, 60 lbs. Bituminous coal, 70 lbs. Clover seed, 60 lbs. Timothy, 48 lbs. Buckwheat, 48 lbs.

By the same Act the British hundredweight of 112 pounds and the ton of 2,240 pounds were abolished, and the hundredweight was declared to be 100 pounds, and the ton 2,000 pounds avoirdupois, thus assimilating the weights of Canada and the United States.

\*Changed from 56 to 56 lbs. by Act of Parliament, 1838.  
†Added by Act of 1895.

Private Post Cards must not exceed a size of 6 inches in length by  $3\frac{3}{8}$  inches in width, nor be less than 4 inches in length by  $2\frac{1}{4}$  inches in width. Cards exceeding these limits are treated as insufficiently paid letters. The words "Private Post Card" must be written or printed on the face of private post cards addressed to places outside of Canada.

**Paternal Private Post Cards which have communications on address side.**—Cards which have the back covered by a picture, and one-half of the front to the left of the address space reserved for written communications, are admitted as post cards when addressed to places in Canada, the United States, Mexico, Great Britain, France, Switzerland, Italy, Austria, Montenegro, Persia, Roumania, Belgium, Congo Free State, Denmark, Danish West Indies, Egypt, Luxembourg, Norway, Sweden, Netherlands, Hungary, Crete, Hayti, Germany, Portugal, Bulgaria, Transvaal, Orange River Colony, Australia, New Zealand, Holland, Dutch East Indies, Panama, Siam, Bosnia-Herzegovina, Japan, Paraguay, and Tunis. Samples, however, of seeds, drugs, &c., which cannot be sent in open covers, may be enclosed in bags of linen, or such like material, fastened in such a manner that they may be readily opened, so that the officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

The packet may bear on the *outside* the address of the sender, in addition to the address of the person for whom it may be intended; and also a trade mark or number, and the price of the sample enclosed; *inside*, there must be no enclosure but the samples or patterns themselves.

#### Registration of Letters.

Persons posting letters containing value should be careful to require them to be Registered, and to obtain from the Postmaster a certificate of receipt for Registration.

The charge for Registration on all classes of matter, in addition to the postage, is five cents.

Both the Postage charge and Registration fee should, in all cases, be prepaid by stamp.

Registration is not an absolute guarantee against the miscarriage or loss of a letter: but a Registered Letter can be traced where an Unregistered Letter cannot, and the posting and delivery or non-delivery can be proven.

#### Insurance of Registered Letters.

Registered Letters posted at and addressed to any P.O. within the Dominion of Canada may be insured against loss for amounts not exceeding \$25. The insurance fee as well as the ordinary postage and the registration fee must be prepaid in postage stamps on all insured registered letters. Miscellaneous matter, described as under, may pass between places in the Dominion of Canada upon prepayment of the rates indicated below. The regulations of the British Post Office do not admit of the transmission by mail to the United Kingdom (or other countries beyond the sea) of miscellaneous matter as such; but a great part of the matter referred to under that head may be forwarded to the United Kingdom and other countries by Book Post.

No packet of miscellaneous matter can be transmitted by mail if it exceeds 30 inches in length or 12 inches in width or depth, or over 5 lbs. in weight.

Legal and commercial papers generally are liable to *letter rate* of postage when posted for delivery within the Dominion of Canada.

Printed or written *requests for return* are now recognized on 3rd and 4th class matter, addressed to places within the Dominion, and same will be *returned direct to the sender*, subject to the payment by the sender, on delivery to him through the Post Office, of the full amount of postage to which the article was in the first place liable, together with any charges rated thereon in connection with any deficiency in the original prepayment.

#### Transient Newspapers.

Transient newspapers and periodicals include all newspapers and periodicals posted in Canada, *other than Canadian newspapers sent from the office of publication, and British and foreign newspapers posted by news agents for regular subscribers* in Canada. When addressed to any place within the Dominion, the United Kingdom, Bahamas, Barbados, Bermuda,

land, and most foreign countries and British colonies, under the following regulations—

The dimensions of a Parcel addressed to any country other than the United Kingdom must not exceed 2 feet in length by 1 foot in width or depth.
2. A Parcel must not contain any explosive, combustible, or dangerous articles.
3. All Parcels must be securely and substantially packed and closed.
4. Oils, liquids, etc., can only be forwarded if put up with the same security required in connection with their transmission as samples in the ordinary mails. Fragile articles should be packed with special care.
5. Each Parcel must be plainly directed, and such directions must include the name and full address of the person for whom the Parcel is intended.
6. For each Parcel the sender must fill up a Customs Declaration. On this form the sender will supply an accurate statement of the contents and value of the Parcel, also the address thereof, with signature and place of abode of the sender. The Customs Declaration must be securely affixed by mucilage or paste to the Parcel to which it relates.

Parcels from the United Kingdom or any other place beyond the Dominion will be liable to Canadian Customs duties, and under existing regulations must be examined for the purpose by an Officer of the Customs *in the presence of the persons addressed.*

Rates and limits of weight vary. See Postal Guide, or enquire at Post Office.

Prepayment by postage stamp is required in all cases. Parcels must be handed to the Postmaster; in no case should they be dropped into a letter box or other receptacle for mail matter.
