

1888

May

and

1 rain most of the night, this forenoon Ad and me cleaned or rather put 4 bags of Thimoty chaff that he saved at home into a rainy day.

2 Ad sowed dragee in the North center field I worked in the garden there is frost in it yet

13 1/2 bushel

3 Ad finished the ~~than~~ part of the center field he sowed 13 1/2 of oats per a B Barling fine day

4 there was heavy rain last night the ground rather wet to drag we fixed hay pen and stable gate I dug the garden for a strawberry bed

5 Ad finished sowing the white oats that he brought from Red Deer he sowed them very thin he sowed 4 bushel of our own mutton wheat

6

Rev Mr Millard preached this evening Philo drag

Saw has 6 pigs

7 Ad sowed 2 1/2 Bushel of peas in the North field Southeast quarter alongside of the fallow wheat

8 Philo & took the Calts up to Ab Mc Vets

8 Ad is drawing dung to the North field George Mathews loaded they had the two waggons

fine rain

9 Ad and Mathews is at the ^{drag} this forenoon last night Mathews is spreading the dung they drew and

Ad took 3 Bushel of wheat with him at noon

10 fine warm day every thing looks fresh we mulched the trees we planted out on Friday last there was four of the Flors and two Golden Russet

10 Ad is dragging and sowing wheat in the North field fine day

11 Ad finished sowing the wheat he has sowed 7 Bushel in all this forenoon he going to the garden in the afternoon he spread dung and plowed 2 ridges next the house and drainage

12 Ad took 3 Calfs to John Fellers the old Joseph took the woods Farm to pasture Philo rolled the west melle field and the East South field Grandma sowed 3 beds of butts & of turnips and 2 of parsnips I dug and helped to fix the posts

13 Rev Mr Millard preached this morning
