

August

Monday, 3

(216-150)

It was cloudy I went to Mountain
Station with a calf and
Inferman to Garretts board
Oda came home from
Srequis
1919. 4 It was nice I went to Cardin
and down to Mr George Shaver for
the kettle to water the cattle in
we got a cwt weight of Sugar

Tuesday, 4

(217-149)

It was quite a nice day I started
to plough Archie drew manure
for John Seymour I went up to
prayer meeting it rained some
through the night
1919. 5 It was quite warm I done
my work on the road Oda went
to prayer meeting

Wednesday, 5

(218-148)

It was raining in the morning
we fixed up the binder in the
forenoon and I ploughed in
the afternoon there was a
big storm went around
north 1919. 6 It was kind of dull we
had a fine shower through the night
we put the hay loader away and
put some stone under the machine
shed
