1915

- June 8th. give a paper, the subject being: "Christ's call to young men of to-day." Received a very pretty tie from H.C. for my birthday.
- 9th. Drove over to Mr Miller's to spend the evening.
10. Started to do road-work, drawing gravel from Collins.
11. Plowed turnip ground and worked it. Went to Mr & Mrs Wrights for tea and to spend the evening.
12. Cultivated and hoed the garden, setting out 40 celery plants.
13. Went to the Glen to Church and S.S. in the morning.
14. Started to plant potatoes in the afternoon. Mr & Mrs Coster came out to get some potatoes and to spend the evening. Red sow had 10 little pigs.
15. A very fine rain last night and this morning.
16. Went to S.S. Convention at Branchton, the day was fine. Mrs Collins went with me and we had dinner at Bertram Turnbull. Both afternoon and evening sessions were well attended and the speakers were splendid and full of their subjects, in the evening it was announced that our township had reached the Golden Jubilee Standard, which was a welcome announcement indeed. We were all agreed that it was one of the best conventions we have yet had.
19. Finished planting potatoes about 3 1/2 acres. 3 rows next turnips of selected seed. 7 rows of first choice and the rest of Sir Walter Raleigh. Sowed about an acre of turnips, New Century variety.
