

Monday March 16th

I spent the forenoon doing chores and timbering jobs such as giving some more at my bird house. This afternoon I drove down town and took the eggs and got a supply of groceries. I had 12 doz. eggs but they had dropped to 22 ct. so they didn't pay for the groceries. I went in to see Mary who was feeling better. Aunty was over there holding babies for Mrs. Lawson. I stopped in to see Harry B. who is quite happy and enjoying life. I met Frank on the hill on my way in and it gave me a scare as I thought something had gone wrong but he was just going over to Gyp's place to look at some hay. I was over at the hamper for awhile this morning Chubby & saw.

Tuesday March 17th

It was pouring rain early this morning and rained hard till about eleven when it cleared off and has been a very nice afternoon. I wrote a letter to Grand-Daddy this morning announcing his latest great-grand daughter and then I washed the heads of the parsnips as Sam told me he would take care. I also took some down for Aunty. Mrs. Lawson & Gochley

Frank came over just as I was going out after dinner. He wanted the wagon to go down and get some fertilizer that he had ordered some time ago and that was down in the car. so we hooked up the team and took the parsnips in the wagon. We got the fertilizer with out any trouble it was in a car out along the dock and I left the parsnips in at Sam's. he didn't know how much they would be worth. I stopped in on the way home to see Mary and took her some shamrock that Frank brought over for her for St. Patrick's day. Aunty was sitting with her today. Dad & Frank sheared the old ewe mother to the triplets which came Saturday. she is coming to her milk now.

Wednesday March 18th

It was a beautiful forenoon but too wet to do much but chores. I spent most of the morning currying the horses and trimming them up and tinkering at a martin house. As it was such a lovely day we thought it would be a good idea to take Gyp out for an airing so I took her down town and Ina went home for the afternoon. I left Gyp at Aunty's and as she saw me coming from Mrs. Lawson's she came home to
