301 DAYS PAST

64 TO COME

An Ideal Tonic.

A physician in a large city in Ireland writes: "Dr. \_\_\_\_\_ begs to inform Messrs. M. J. Breitenbach Co. that he considers Pepto-Mangan (Gude) an ideal tonic, and his patients have taken it with great benefit, and he intends to prescribe it further."

Weather

Very Cold

Temp.

Maudie & I went to

St. Thomas this morning  
went to a sale of furniture  
came home about  
half past five Bert  
was here for supper  
we drove Billy.
