A Prayer For the New Year

- to walk continually, without a break, in Thy presence and power, dear Lord!
- that Thou mayest attain to Thy full purpose in me!
- that I may know Thee in a very real way and the power of Thy resurrection!
- to be led deeper and deeper into the depths there are in Thee!
- that Thy glory may so shine through all that is human and earthly in me that it may be manifested in the transfiguration!
- that the abounding life of love pulsating from Thy very heart through this humble member of Thy body may be felt by others!
- to be more sensitive to the displeasure of the Spirit when in my life He sees that which is not Christ!
- that the Wind—the Spirit—may blow through every nook and corner of Thy temple that there may be life in circulation and that the inner atmosphere may be ever pure!
- for absolute, entire, complete surrender to Thy mastery and control—my gracious Head!
- for such a profound grasp of Thy Word through the Spirit in actual experience that I may be used of Thee in ministering to others in the power of God!
- to wait more upon Thee to understand the need in the lives of others from Thy point of view!
- that in me Thy Word may be translated into life!

"When Jesus said . . . Great is thy faith: be it unto thee even as thou wilt." Matt. 15: 28.
