

Having her dip. Went to Charlie, Isabel
and Mrs. Ryan. Charles, Jack & Donny left
at 6.30 to take Mr. Robinson back to the
Royal Muskoka and Clare, Nell, Dug
and Frances went for the mail in
the row boat. Played five hundred
Clare and I against - Nell and Charles.

Aug. 1st awfully hot day. In the afternoon Jack,
Wednesday Charles and I went out in the "put-put"
and sailed around Lake Joseph. Landed
at Port Sandfield and had Cherry
Sundaes on the dock, then had another
little run and waited for the mail. Donny,
Clare, Nell, Dug & Frances came over
in the row boat. We all had ice cream
cones and we loved them home. Donny
and rest went for mail at night. We
played five hundred, Nell and
Charles against Clare and me.
