

January 23rd

Wednesday This was a very cold and hard morning the coldest morning frost we have had this winter the wind has fallen very high wind last night I was about all forenoon the afternoon I went down to the Blacksmith with 2 horses to get them sharpened

January 24

Thursday This was a very hard morning the creek was frozen over had to break ice before we could water the horses Mother and Mrs. Clinch, Peter put 10 bags of hay over very cold

January 25th

Friday This was a little mild morning like a change I went to Cockburn黑人, all forenoon with one team the other at home all afternoon no frost to night

January 26th

Saturday This was a dull morning a little snow fell last night no sleazing I went to Guelph with the buggy Mother was along with me freezing to night the snow about Abby again good - weather over the creek dead

January 27th

Sunday This was a fine morning but very hard frost little cold Rachel & Mother went to church they had the buggy I was house keeping turned out very dull
