

Thursday, December 26

Weather, cloudy with south west  
wind somewhat fleesty.  
Charles Hooper took our milk down this  
morning.

Norman went out & got rad for the  
tractor & chopped feed in forenoon.

I got my shaggy rag out in morning.

Took sleigh on north trip this p.m.

Friday, December 27

Weather, cloudy & mild.

Norman took milk to corner then  
went on to Boyingtons for goose from  
Luel & took Luel & groceries down &  
brought bread back.

Douglas took car to garage to get the  
clutch fixed.

Della came up in the morning &  
stayed for the day.

Douglas went over to Padgett after dinner  
to get a young goose as Curt's turned  
out a gander also.

We sent our old one to market  
alive weighing 19 lbs.
