

Ther.

TUES. NOV. 15, 1898

Wea.

I rose and made the fire. but did not feel very well rested as it was about 3 o'clock when I got to bed, they had a very nice time at the party. we were doing some mending today in afternoon fixing the boys clothes. and drying some apples

Ther.

WEDNESDAY 16

Wea.

I rose again and made the fire and prepared the breakfast, we were busy fixing the boys nests I put a new bed in Georges and fixed Lances up too I am kept pretty busy all the time
