130 DAYS PAST

236 TO COME

May 1, 1907.

Dr. R. B. Leister, Tiffin, Ohio, says:

"I received the sample of Pepto-Mangan (Gude) you so kindly sent me, and used it in a case of convalescence from a very severe attack of La Grippe, with most excellent results."

May 28, 1907.

Dr. W. L. McKinney, Port Jefferson, Ohio, says:

"I used Pepto-Mangan (Gude) with great success after trying numerous other remedies to no advantage. Shall always prescribe it when a blood tonic and builder is needed."

A fine day Albert was up  
to night & spaded some  
more in my little garden  
& put in some carrots. Mella  
is not quite so well to  
day. John has been drawing  
manure all day. I am  
not feeling very well.  
Maudie got some raw silk  
& make Mella a new dress &
