

May, 1928.

1 Tuesday. Fair and windy.
Walter & Vernon finished the manure
Ella dug a piece in the garden
and sowed sweet peas and larkspurs

2 Wednesday. Lovely warm day.
Rachel was here all day and we
papered the two front rooms. Vernon
was cultivating in the field beside
the lane this afternoon.

3 Thursday. Fine and warm.
Walter shipped hoop this morning
and was sowing grain this afternoon
Vernon was cultivating. Ella cleaned
the little parlor.

4 Friday. Hot day. Walter was
sowing grain and Vernon was harrowing
and cultivating. Ella cleaned the dining
room, varnished the linoleum and
planted the dahlia roots. Walter went
down to Joe Grigich's and brought home
the little chicks.
