

1888

April 20 I did some tinkering and split wood a little
hail and snow this afternoon the ground
is white at night

21 Snow all gone this forenoon Bud had a huffer
all this forenoon & is boring post holes in
the side road North field

22 Mr. McFerson preached this evening hand first mor-
ning Mr. Millard had to go to Moberg

23 cold day Ad bored post holes & set posts

24 Ad went to rain of James Horton he is put-
ting up a large Barn they got it at night

25 Ad sowed 3 bushel of oats Black
Barley and peas in the middle field South end
that is the first that he has sowed

26 Ad took 5 bushel to the field this morn-
ing he took 2 more at noon fine day

27 Ad sowed in all in the South half of
the of the middle field $14\frac{1}{2}$ bushel of the
mixture of peas oats & black Barley fine day

28 Phila dragged this forenoon and Ad shoveled
the furrows fine day they got a small
load of hay at Brucks

29 Rev. Mr. Millard preached this morning

30 Ad worked in the middle field and Bushel
of the same oats Matthes shoveled and
spread dung in the North field and in
the little field at the Milk Street hay
rain most of the night

I planted 2 of the Jessie Strawberry that
I got from Inule Growers Society
