

July, 1930.

11 Friday. Fine day. Shower last night. This morning the men were scuffling and hoeing turnips. This afternoon Vernon & Willard helped Sam finish his hay and Walter was raking here. They brought in 4 loads here. Alvin Schmidt left tonight for the week end. The young people had a presentation for Mr. & Mrs. Geo. Koepke and Vernon went.

12 Saturday Fine warm day. Sam Fort helped draw in hay and was here for dinner. They brought in loads today and cleaned up the field beside the lane. Walter cut another piece. Orpha Miller visited Ella this afternoon.

13 Sunday. Cloudy & sultry morning. Turned very cool this afternoon. We all went to church & P. P. this morning, called at Grandpa Maurer's this afternoon and had our tea at Ezra Maurer's.
