

Saturday, July 1st 1899

2 we finished hauling hay out of
16 acre field 14 loads, and cut a
little in next field & kiled
it up. Louis Flick helped us
all day I paid him 25¢
we cotton from Dillie was
looking at cattle yesterday
he came on excursion

25

Sunday 2nd fine
Father and Geo went to
Church in morning and
and I went in evening

Monday 3rd fine
we finished next patch
of hay in no 3 and started
to prepare for no 1

Tuesday 4th fine
we cut hay in no 1 and
hauled two loads of
it, in Geo scuffling corn
& Father working at potatoes
with weeder.

Wednesday 5th fine
we finished no one and
cut part of no 2, and
kiled most of it.

Thursday 6th fine
we finished cutting hay for
this season and got
grist ready of chop & flour
and kiled a little hay
and trained some of the cattle
to lead.

Friday 7th Dull
we finished hauling hay today
we have just 24 loads this
year but all except two loads of
awale hay is good equality
took grist of chop to town, sold
four bu & a few pounds of wheat at 69¢
\$3 22 paid for Chopping 14 bags 70.52 3.22 40
rain last night

Saturday 8th Dull
Geo scuffling. I took Father to station
& brought home grist.
