

said that she could not come so I came
home alone when I got her Gen. Wooley was
here and after he went home I went and
baked my cake Gretia came for the ride
and Pa and I went to town in the morning
and then I went out again in the
evening for he took some harness out in the
morning to have fixed and they mended it
all wrong so I had to take it back
and get it mended once

14 Sunday I was over this morning to Gretia a
horse back and her aunt road a little
while. Then Gretia and I took one horse
and John took pack and we all went
back to the woods when we got back Frank
was there and him and John went off
for a swim. they stayed so long that Gretia
and I thought that they were gone for that
day. Frank he came up and we went over
for Gretia to go for a ride I went with him
