355 DAYS PAST

FRIDAY

II TO COME

Three Necessary Attributes

of any pharmaceutical product of merit are palatability, compatibility and miscibility. The agreeable aromatic flavor and the ready compatibility and miscibility of Pepto-Mangan (Gude), with almost all fluid media, render it especially acceptable to infants and children of tender years. This is a practical advantage that can scarcely be over-estimated.

Weather

A fine day

Temp.

The roads are very muddy
Mrs Appleford & Gene came
for Grace. It was Melba's
birthday & we had a
goose for dinner. I have
been doing up curtains
Melba took Grace to school, &
took her music lesson.
Maudie is better but
still in bed.

Marion &
