63 DAYS PAST

302 TO COME

In Every Civilized Land and Clime,

for more than twenty years, the one standard, thoroughly reliable and dependable preparation of organic iron and manganese, has been **Pepto-Mangan (Gude)**. It has been and is extensively prescribed, by all classes of physicians, to combat and overcome Anemia and Chlorosis, in all kinds of conditions, such as Amenorrhea, Bright's Disease, Rickets, Tuberculosis, etc., and in convalescence from exhausting or debilitating disease.

Weather

Temp

Bright but cold
Girls drove to school. I was up
nearly all day. Joe & I cleaned
up the front rooms. John
went to Kingsmill this after-
noon to see Eugene. Eugene
was there to meet a veterinary
yesterday & today. Pa got two
new brooms. Wilfred was
dressed yesterday & today for
the first. I have seen nothing.
