## If, If, If.

IF the physician has at his command, a palatable and immediately assimilable combination of iron and manganese;

IF this product has answered every reasonable professional requirement for nearly twenty years;

IF its use is veritably world-wide and constantly increasing;

Is it not clear that such a preparation possesses the merit claimed for it?

## Pepto-Mangan ("Gude")

Weather	Temp.
Cold this morning but much warmer through the day. The trees frost, was lovely to see. Washed the clothes, Pa took the girls to school & went after them, after coming from the Guffano's sale.
