9 DAYS PAST

356 TO COME

How?

HOW does the physician determine the merit of any medicinal agent?

HOW does he separate the valuable medicinal wheat from the useless therapeutic chaff?

The actual experience of medical men everywhere, for nearly twenty years, definitely establishes the unqualified hematinic and reconstructive virtues of **Pepto-Mangan (Gude)**.

Weather

Temp.

cloudy

42°

Papa + Mr. Cox went to Mr. Bentley. Eugene went to a box social.

Bill went 10 miles.

Nydia went 7 miles.
